

From Robert Chinyenze: 8/25/24 - Preaching Trip In Remote Areas Of Zimbabwe

2 Samuel 24:24 But the king replied to Araunah, 'No, I insist on paying you for it. I will not sacrifice to the LORD my God burnt offerings that cost me nothing.' So David bought the threshing floor and the oxen and paid fifty shekels of silver for them.

I thank you so much for your prayers for a successful camping, for safe travels and for open doors. An open invitation was made to the villagers through the distribution of flyers and many attended our service today though there was a clash with the Jehovah's witnesses who were also camping in the same area, doors of christians were knocked and lessons to strengthen were delivered, lessons to non christians were contacted, it was also a good opportunity to visit our brothers and sisters whose health is deteriorating, water is still a big challenge both for animals and domestic, a number of challenges were faced but through His powerful Hand we conquered all obstacles above all hearts were opened as four(4) obeyed the gospel and without hesitation we took them to the waters of baptism. No time was wasted after knocking doors in the villages we could meet with

young preachers and their wives and have more time of equipping ourselves, morning and evening devotions were contacted, remember to mention the newly born babies in your prayers. God bless .
