

# THE DECLARATION OF THE EXPANSE

Without any words, the heavens are telling of God's glory and the expanse is declaring the work of His hands (Psalms 19:1-3)

## Fact Box

- Distance from earth to Sun: \_\_\_\_\_ miles
- Distance to nearest planet (Venus) \_\_\_\_\_ miles
- Distance to farthest planet (Neptune) \_\_\_\_\_ miles

Within the Milky Way are estimated \_\_\_\_\_ stars

Hubble Deep Field found \_\_\_\_\_

galaxies in an area 1/240000 of the sky

- From that it is now estimated that there are \_\_\_\_\_ galaxies each containing 100 million to billions of stars

## What Does the Expanse Declare?

1. Our God is \_\_\_\_\_ and \_\_\_\_\_

- We see things that \_\_\_\_\_ has ever seen
  - (1) There are things we have \_\_\_\_\_ to see, learn and understand
  - (2) There is no \_\_\_\_\_ to our God
    - it is a \_\_\_\_\_ world
    - it is a \_\_\_\_\_ world
    - it is a \_\_\_\_\_ world

Jer 32:17; Eph 3:20; Ps 147:4

2. Our God \_\_\_\_\_ about you  
Ps 8:3-4

- God sends His \_\_\_\_\_ (Mt 5:45)
- God knows when a \_\_\_\_\_ falls (Mt 10:29)
- God knows the \_\_\_\_\_ on your \_\_\_\_\_ (Mt 10:30)
- God knows when you \_\_\_\_\_ down (Ps 139:2-4)
- God knows when you \_\_\_\_\_ (Dan 9:20-21)
- God \_\_\_\_\_ the world (Dan 2:21; 4:26)

3. Our God has a divine \_\_\_\_\_ for you (John 10:10)

There is a divine order to creation: perfect, exact and precise (Col 1:16-17) just like \_\_\_\_\_

*The best days are not behind us, but still to come! This is the life that God wants you to live. Forgiven. Hopeful. Purposeful. Connected. Making a difference in the lives of others.*

**Psalms 148:3 "Praise Him, sun and moon; praise Him, all stars of light!"**
