

Read chapters 6

Questions for ch 6:

1. Six of the seven seals are opened in this chapter. Each seal has a visual message.
 - Who breaks each seal?
 - With the breaking of the first four seals, there is a common command. What is it and who is this spoken to?
- Who speaks these commands?
2. The first four seals present a series of colored horses. Beside each horse identify what you think the color represents:
 - White Horse:
 - Red Horse:
 - Black Horse:
 - Pale (Ashen) Horse:
3. We are not told who is riding the white horse. He has a bow and given a crown and is on a mission to conquer. What might that represent?
4. We are not told who is riding the red horse. What is this rider doing?
5. The black horse, the third seal, is selling a quart of wheat for a denarius. Is that a good price?
 - A denarius is equivalent to what?
6. The rider of the fourth horse is identified. Who is it?
 - What is his mission?

7. The fifth and sixth seal do not have horses, nor the command to "come" identified with them.

- the fact that John saw slain souls under the altar probably means what?

- although they are dead, they speak. Who do they talk to and what is it that they say?

- what reply did the slain souls get to their request?

8. Cataclysmic cosmic events take place. List what happens:

The Sun:

The Moon:

The Stars:

The Sky:

Mountains & Islands:

- It seems that people understand what is behind all these events. What points to that conclusion?

- This is another example of why Revelation cannot be taken literally. What would happen if a star fell to the earth?
